

# TOUR DE FRANCE EXPERIENCE

## PROGRAMME

### Day 1. Arrival

Transfer from Geneva to Bri e et Angones where we will start our Tour de France!

### Bri e et Angones-Allemond

**Distance : 40km / 500mts up**

Our Tour de France begins! Today is a warm-up day, along a flat area just to acclimate us to France. Accommodation in Allemond.

### Day 2. Allemond - Alpe d'Huez

**Distance : 40km / 1300mts up**

Our second stage starts with a timed climb of the famous Alpe d'Huez. We start with a short warm-up at the village of Bourg d'Oisans to climb via the 21 bends, where the names of all the winners can be seen. At the arrival we will take our photo to immortalize the moment on top of the most mythical stage of the Tour de France. Accommodation at Allemond.

### Day 3. Allemond- Col de la Croix de Fer - Col Del Glandon- Saint Jean de la Maurienne

**Distance : 57km / 2000mts up**

On this truly spectacular day we will crown two summits above 2000m, the "Croix de Fer" and the "Glandon". The views of the valleys and mountain passes that lead to

glory will leave an unforgettable impression. After the ascent we have a fast descent to Saint Jean de la Maurienne where we spend the night.

#### **Day 4. Saint Jean de la Maurienne - lacets de Montvernier- Saint Michel de Maurienne-Valloire**

**Distance: 51km / 1600mts up**

We are going to climb up to “Lacets de Montvernier”, which in recent years has become a must-do climb and one of the most beautiful ascents in the world. We ride on top of the cliffs and descend into one of the most mythical villages in cycling history, Saint Michel de Maurienne to continue to Valloire.

#### **Day 5. Valloire - Col del Galibier- Briançon.**

**Distance : 50km / 1500mts up.**

We continue our bike tour, climbing one of the toughest and highest mountain passes of the Alps...the “Col del Galibier” 2664m high!!! We will have to carefully manage our efforts to be able to overcome this 36 km ascent. On the summit we will take the time for coffee, photos and put on warmer clothing before the thrilling descent to the town of Briançon.

#### **Day 6. Briançon- Montclar**

**Distance: 95km / 1400mts up.**

In good Tour de France tradition, after the key stages there is always an “ambush” left! We cycle out of Briançon, capital of the Alps, with its impressive military fortresses, towards the lake of Embrun, where the most famous triathlon of Europe takes place. We pass the mountain passes of Isoard, Montgenevre and Vars.

**Day 7. Montclar- le Vernet- la Javia- Sant Andrieu.**

**Distance : 93km / 1200mts up.**

Transfer to Nice (1h 30 min).

Last stage! During the last 2 days of our Tour we have passed through 4 different Nature Parks, with spectacular landscapes that will continue all the way to our arrival at Sant Andrieu. We cycle along typical lower mountain roads until we say farewell to the Alps and our Tour. Until we meet again on the next adventure! Transfer to Nice.

**Day 8. Nice – departure**

Free day in Nice and transfer

**FURTHER INFORMATION**

**Level:** very high

**Terrain:** 100% road
